Spa Basics

Should I reserve my treatments?

Yes, either phone or visit the spa to book a reservation at your earliest convenience so we may accommodate your schedule.

When should I arrive?

Please arrive at the Spa 15 minutes before the scheduled time to check-in and change.

What if I have special health considerations?

Please notify our Spa Manager or Receptionist before booking your treatments if you have high blood pressure, allergies, other physical ailments or disabilities, or if you are pregnant. If you have any concern at all, let us know.

What do I wear during my treatment?

You may wish to wear your own bikini or briefs, or we can provide you with hygienic disposable briefs. Alternatively, treatments may be enjoyed without clothes. Choose what is most comfortable for you. Our therapists will always use draping techniques to respect your privacy.

What about my valuables?

Please leave valuables in the safe in your hotel room, as we do not assume any liability for personal items.

What if I'm late for my appointment?

Arriving late will simply limit the time for your treatment, thus lessening its effectiveness and your pleasure. Your treatment will end on time so that the next guest is not delayed.

What if I need to cancel a spa reservation?

The treatments you select are reserved especially for you. Guests will be charged 50% for treatments not cancelled six hours in advance.

Pure Nature Facial 50 mins

Mandara Spa's signature facial is rich in enzymes that can peel away dead skin, antioxidant vitamins to protect and treat the cells from environmental (and self-induced!) pollutants and natural oils for deep nourishment. We use only natural ingredients with no harmful preservatives or additives. There are three options for different skin types, relying on nature's life-force to restore the equilibrium and deliver a vitamin and mineral burst to your skin.

Preserve - a cleansing and rejuvenating facial for normal skin.

Renew - a fruit acid facial for treating environmentally damaged skin.

Enrich - a nourishing facial for dry or mature skin.

Body of Mandara

Mandara Massage 1 hr 20 mins or 50 mins

Not to be missed, never to be forgotten. Our signature massage, performed by two therapists working together, is a unique blend of five different massage styles – Shiatsu, Thai, Hawaiian Lomi Lomi, Swedish and Balinese. The synchronisation of the two therapists makes this massage a sublime experience.

Tension Relief Massage 1 hr 20 mins

Slow, deep massage strokes deliver pressure to the inner layers of muscles and connective tissue to ease tightly-held tension. It relieves chronic pain by speeding up the blood circulation and thus delivers fresh oxygen and nutrients to the muscles to help them repair and improve their condition.

Warm Stone Massage 50 mins

The healing power of touch combines with the energy of the earth in this relaxing, muscle melting massage. Smooth, warmed rocks glide across your body in long, flowing strokes. The heat helps to relax the muscles and has a soothing effect on your emotions. Simultaneously, rocks are placed on the body's various energy points to encourage the body's healing potential.

Balinese Massage 1 hr 20 mins or 50 mins

Our most relaxing massage, harnessing the therapeutic properties of 100% pure essential oils. Used for centuries to renew, strengthen and heal both body and mind, this traditional therapy combines stretching, long strokes, skin rolling and palm and thumb pressure techniques to relieve tension, improve blood flow, ease stress and calm the mind. It can also help to improve the circulatory, lymphatic, muscular and nervous systems. For jetlag recovery, choose our Tranquility massage oil blend.

Fancy Foot-work 50 mins

The most blissful ride your feet will ever take you on. It's like reflexology without the 'ouch'. Based on the same therapeutic principles of its ancient ancestor, this foot massage will help to release toxins and restore your body's energy flow. And it feels like bliss at its celestial best.
